

Memorandum

Date: March 8, 2016

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Subject: Ratification of Acceptance and Execution of the Florida Department of Transportation Supplemental Joint Participation Agreement in the amount of \$1,762,500.00 for Replacement and Refurbishment of Passenger Loading Bridges at Miami International Airport

Agenda Item No. 3(B)(2)

Recommendation

It is recommended that the Board of County Commissioners (Board) adopt the attached resolution ratifying the actions of the County Mayor or the County Mayor's designee in accepting and executing the Florida Department of Transportation's (FDOT) Supplemental Joint Participation Agreement (SJPA) to Financial Project Number 42927219401 in the amount of \$1,762,500.00 to be used toward the cost of refurbishment and replacement of Passenger Loading Bridges (PLBs) at Miami International Airport (MIA).

Scope

MIA is located within District 6, which is represented by Commissioner Rebeca Sosa; however, the impact of this item is countywide as MIA is a regional asset.

Delegation of Authority

Approval of this resolution by the Board also authorizes the County Mayor or the County Mayor's designee to exercise all obligations and rights under the SJPA, including the right to terminate it.

Fiscal Impact

This FDOT SJPA provides funds in the amount of \$1,762,500.00 for a total FDOT funding of \$3,747,217.00 to be used toward the estimated project cost of \$24,600,000.00. Although not reflected in this SJPA, additional funding of \$1 million has been programmed in FDOT's Five-Year Work Program for Fiscal Year 2018. The County would be eligible to receive these funds for a new total grant of \$4,747,217.00, if the 2018 funds are made available. There is no federal funding anticipated. Any project costs in excess of FDOT funding will be provided by the Miami-Dade Aviation Department (MDAD) through its Reserve Maintenance and Operating funds.

Track Record/Monitoring

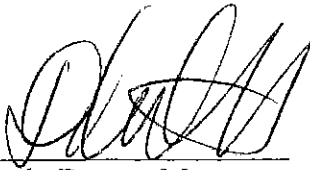

The construction project will be managed by MDAD Division Director Ivan Valdes. The grant will be managed by MDAD Chief of Grants Norma Mata.

BACKGROUND

The PLB Replacement Master Plan (2013-2019) for MIA Concourses D through J involves the replacement or refurbishment of the PLBs, including the installation of 400 Hertz aircraft ground power units and pre-conditioned air units to accommodate internationally-capable aircraft such as Boeing's 747-800, 777 and 787, and Airbus' 350 and 380.

Pursuant to Resolution No. R-370-15, the Board ratified the original FDOT Joint Participation Agreement in the amount of \$1,984,717.00 for the replacement and refurbishment of MIA Passenger Loading Bridges. This SJPA increases FDOT's funding to \$3,747,217.00.
